Tehnička pogreška u prijavnom obrascu za KA2 Strateška partnerstva 2016.

- **Aktivnosti učenja, podučavanja i osposobljavanja (Learning/Teaching/Training Activities)**

U prijavnom je obrascu za KA2 Strateška partnerstva 2016. utvrđena tehnička pogreška u dijelu *Learning/Training/Teaching Activities* kada se ove aktivnosti ne prijavljuju. Prijavitelju se pri pokušaju prijavljivanja obrasca pojavljuje poruka o grešci: "[ERR-01] submission validation error".

Kako biste zaobišli ovaj problem, iako ne prijavljujete LTT aktivnosti, učinite sljedeće:

- otvorite prijavni obrazac

- odgovor na pitanje "Do you plan to include transnational learning, teaching or training activities in your project?" izmijenite u "Yes" i zatim opet u "No" (time će se očistiti greška u kodu)

- validirajte prijavni obrazac i predajte ga (*Submit*)

KA2 issue with LTT activities

A bug was found in the 2016 KA2 when no Learning/Teaching/Training activities are created. The problem can be described as follows:

− *When the form is saved, then closed and reopened some of the LTTs activities system data not visible to the user is wrongly set, so when the applicant organisation tries to submit the form a validation error "[ERR-01] submission validation error" is shown and the user is blocked from submitting it.*

To circumvent this problem applicants should do the following:

− *open the form*
− *change question "Do you plan to include transnational learning, teaching or training activities in your project?" to "Yes" and then putting it back to "No" (the wrong system data will be cleaned up)*
− *validate and submit*
