Introduction

This user guide explains how to use the Erasmus+ OLS licence management system (back-end) in your role as a Beneficiary (BEN).

You will learn:

- How to log into the Erasmus+ OLS back-end;
- How the back-end is structured;
- How to use each feature, namely:
 - Allocating assessment licences to Participants,
 - Allocating course licences to Participants,
 - Monitoring the assessment and course licences used by Participants.

1. Access the OLS and log into the back-end

To access the OLS go to the following URL: <http://www.erasmusplusols.eu>.

To access the login page, click on the **Login** button in the upper right corner of your screen.

To log in, type in the Login and the Password you received by email.

Login to my account

If you are leaving for an Erasmus+ mobility activity, you should have received an email from your sending institution/organisation with a login and a password to access the platform.

If you are a National Agency or a Beneficiary, you should have received an automated email from the Erasmus+ OLS with a login and a password to access the platform.

If you did not receive it or if you have lost this information, you can contact us using the form in the [Contact us section on this website](#).

Login

Password

[Forgot your password? Click here to reset it.](#)

LOGIN

In case you encounter problems, you can contact the Helpdesk by clicking on the **Support** button at the top of your screen.

2. Structure of Erasmus+ OLS

The homepage of Erasmus+ OLS appears after you log in.

In the header on the upper part of your screen you have 4 buttons:

- Home button () – click on this button to go to the OLS back-end homepage.
- Profile button ( `be99ben05@mailinator.com`) – click on this button to go to your BEN user profile page.
- Report a Problem – click on the button to contact the Helpdesk for any technical problem.
- ESC () – click on the button to close your session.

On this page you find important information regarding updates, forthcoming features of the OLS, system alerts, as well as OLS communication materials facilitating your daily work.

Four tabs are available in the menu on the left hand side of your screen:

- Home (tab 1)
- Licence Allocation to Participants - Assessment (tab 2)
- Licence Allocation to Participants - Course (tab 3)
- Licence Usage per Participant (tab 4)
- Expired Projects (tab 5)
- Expired Licences (tab 6)

Click on any tab to navigate between Home, Licence Allocation to Participants – Assessment, Licence Allocation to Participants - Course and License Usage per Participant, Projects and Expired Licences.

3. Using the Erasmus+ OLS back-end features

In this section the main functionalities of the Erasmus+ OLS back-end are explained:

- 3.1 Allocating assessment licences to participants,
- 3.2 Modifying or cancelling an invitation and re-inviting participants,
- 3.3 Allocating course licences to participants,
- 3.4 Monitoring the licence usage of the participants,
- 3.5 Monitoring expired projects,
- 3.6 Monitoring expired licences,
- 3.7 Editing your profile and creating additional users.

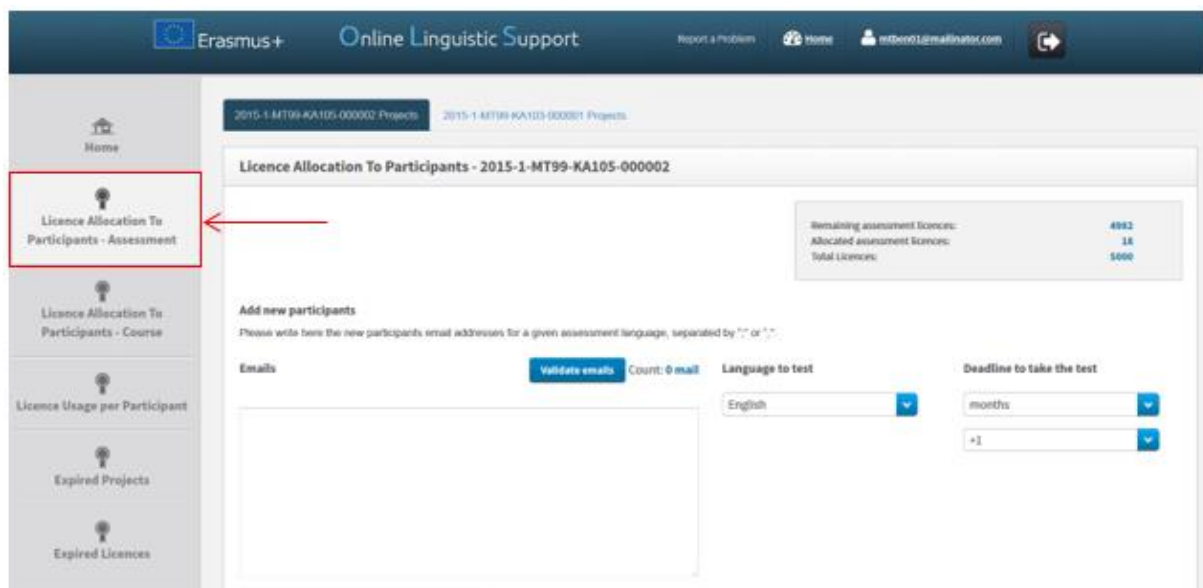

3.1 How to allocate assessment licences to participants

The process of allocating licences occurs at different levels (i.e. DG EAC / NA / BEN) – for more information on the process please consult your National Agency.

To allocate assessment licences to your participants, please follow these **step-by-step instructions**.

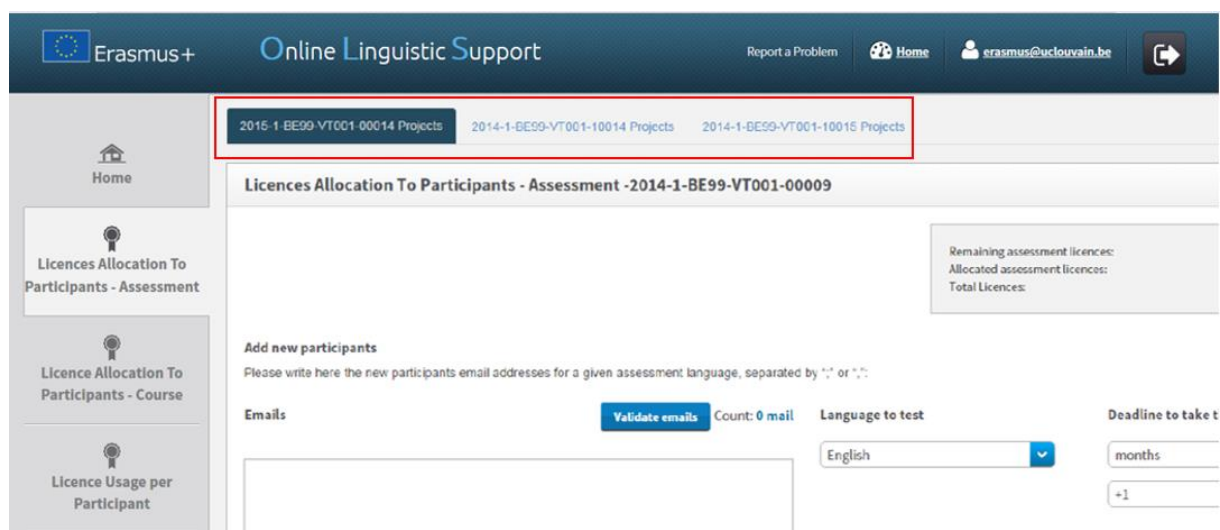

Starting from Version 10, you are able to invite mobility participants who have already used the OLS on another mobility using the SAME EMAIL ADDRESS.

To access the section "Licence Allocation to Participants – Assessment", from your Home screen, click on the 2nd tab (**Licence Allocation to Participants – Assessment**).

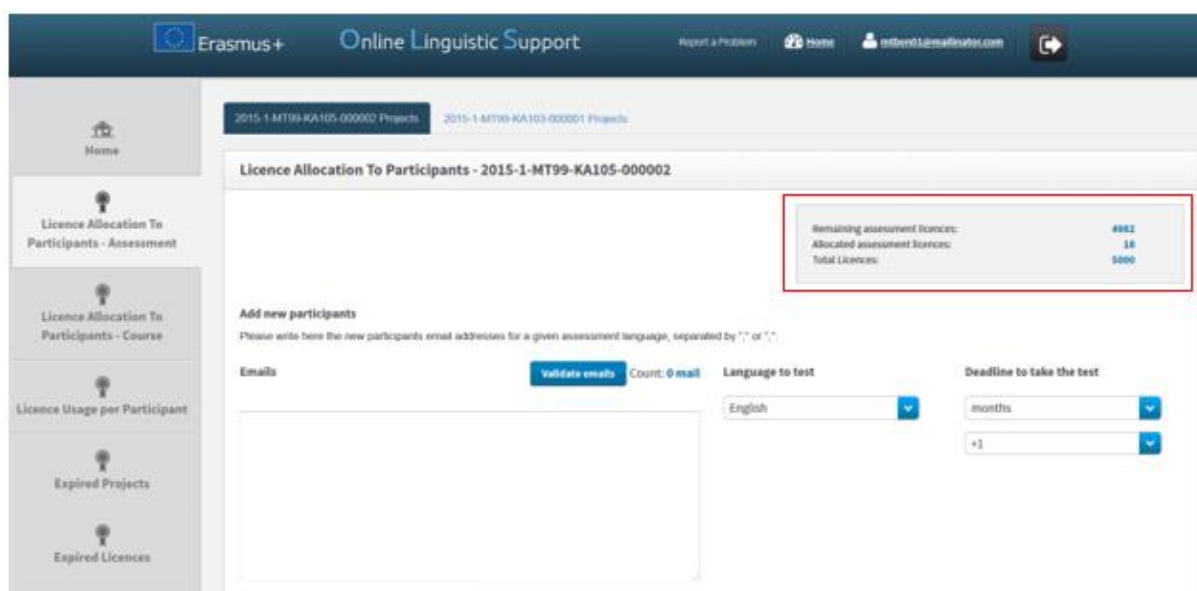

You are now accessing the Licence Allocation to Participants – Assessment page.

If your institution/organisation is part of several projects, you will find several tabs at the top of the page. By navigating through these tabs, you can access the corresponding "Licence Allocation to Participants – Assessment" page related to each of your projects. If you have several projects, the project tabs will be sorted chronologically from the most recent to the oldest.

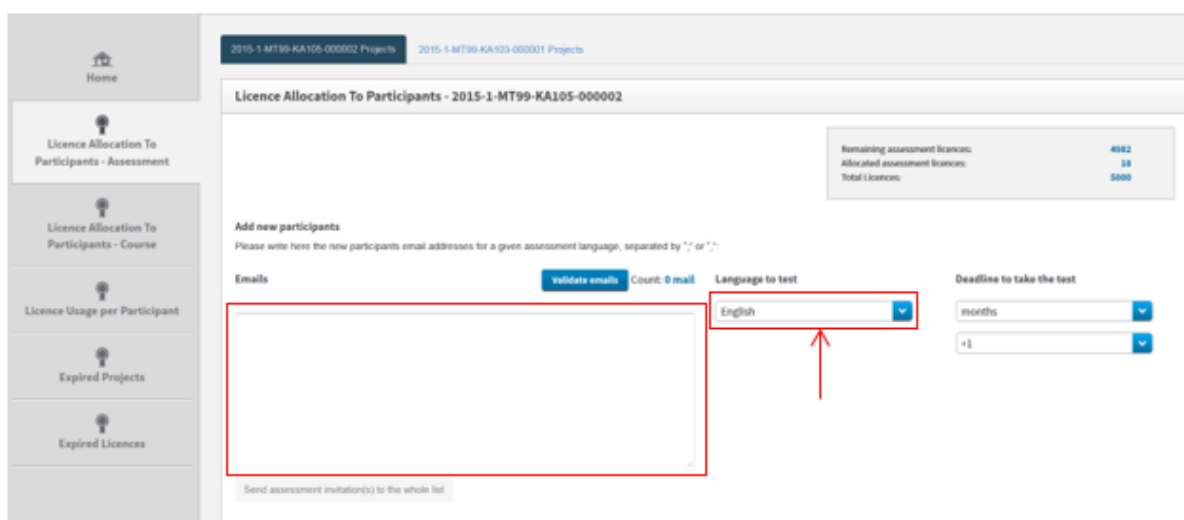

In the upper right part of the screen, a summary box also shows information on:

- Your BEN's **remaining number of assessment licences**, i.e. the number of licences currently available for Participants allocation;
- Your BEN's **number of allocated assessment licences**, i.e. the number of assessment invitations already sent to your participants;
- The **total number of assessment licences** granted to your BEN by your National Agency (NA).

To allocate assessment licences to the selected project participants, please indicate, in the appropriate box, all their email addresses, separated by “;” or “,”. **N.B.:** you are requested to introduce together the email addresses of all participants who will be tested in the same language (for example, all participants taking their assessment in French). If you have groups of participants to be tested in different languages or participants who have multiple mobilities, repeat the following steps, language per language.

Before being able to move forward, you are requested to validate the email address list by clicking on **Validate emails**. A message appears when emails are successfully validated. Then, make sure the count of email addresses is correctly shown next to the **Validate emails** button.

Licences Allocation To Participants - Assessment -2014-1-BE99-VT001-00010

Emails validated!

example1@domain.com, example2@domain.com, example3@domain.com

From Version 10, the OLS can be used by mobility participants with the SAME EMAIL ADDRESS FOR MULTIPLE MOBILITIES (mobility participants undertaking several Erasmus+ mobilities using the OLS).

If you enter a mobility participant's email address that is already in use in the OLS system, a warning message will appear after clicking on the **Validate emails** button, informing you that the participant concerned has already been invited to take a language assessment. This warning states the language in which the assessment will take place, on which date the participant received an assessment invitation and the name of the institution/organisation if the invitation has been sent by another Beneficiary. This warning assists you in avoiding inviting a participant twice by mistake. Despite this warning, you can allocate a new language assessment to the mobility participant if this person is undertaking another mobility for which he/she should use the OLS.

You are now requested to select the language to be tested in the highlighted **Language to test** scroll-down menu. The language tested corresponds to the language the participants will use to study, work or volunteer abroad and cannot be changed afterwards.

Add new participants

Please write here the new participants email addresses for a given assessment language, separated by ";" or " ":

Send assessment invitation(s) to the whole list

If your participants have to be tested in several languages, repeat the above instructions for each group of participants/languages.

Should you wish to receive a notification once a participant has completed the first language assessment, please click on your profile.

In your profile, you have the possibility to tick the **"I want to receive a notification by email each time a participant has finished the first assessment"** box. Further information is provided under point 3.7.

If you tick this box, you will receive an email notification whenever a participant has completed the first language assessment. These notifications are not sent instantly, but rather once every hour.

Please note, this notification is sent to the main email address, as well as to any aliases and additional email addresses linked to the profile.

When participants do not take the assessment within the deadline, their access to OLS is deactivated and the licence automatically returns to your remaining assessment licences if not yet used. For instructions on how to re-invite a mobility participant for the 1st language assessment, see section 3.4.1.

3.2 How to modify/cancel an invitation and re-invite participants

Once invitations have been sent, they can no longer be edited or modified. If you need to modify or cancel an invitation, please follow these **step-by-step instructions**.

Licences can be cancelled provided that the participants haven't started the language assessment yet. Licences that have been cancelled automatically return to your remaining assessment licences.

To cancel the invitation(s), you need to enter the email address(es) of the participant(s) that need to be cancelled in the invitation box and click on **"Validate emails"**.

Add new participants
Please write here the new participants' email addresses for a given assessment language, separated by ";" or ":"

Labels: **Emails** → **Validate emails** Count: **0 mail** **Language to test** **Deadline to take the test**

Example email addresses: example1@domain.com, example2@domain.com

Language to test: English

Deadline to take the test: months, +1

Send assessment invitation(s) to the whole list

A pop-up message appears notifying that this/these email address(es) has/have already received a language assessment licence and asks you if you want to cancel the invitation.

Add new participants
Please write here the new participants' email addresses for a given assessment language, separated by ";" or ":"

Labels: **Emails** **Validate emails** Count: **0** **Language to test** **Deadline to take the test**

Example email addresses: example1@domain.com, example2@domain.com

Language to test: English

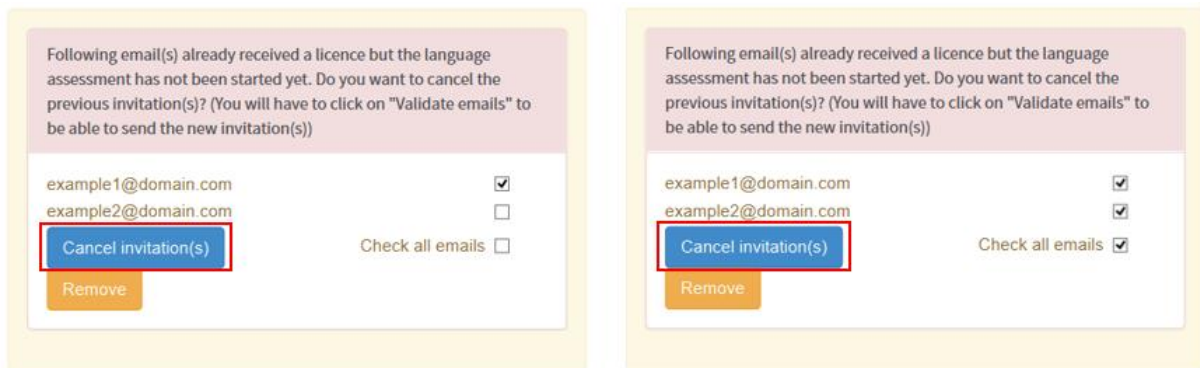

Deadline to take the test: months, +1

Pop-up message: Following email(s) already received a licence but the language assessment has not been started yet. Do you want to cancel the previous invitation(s)? (You will have to click on "Validate emails" to be able to send the new invitation(s))

Pop-up options: Cancel invitation(s), Remove, Check all emails

Example email addresses: example1@domain.com, example2@domain.com

To cancel the invitation(s), click on the box next to the email address(es) to select the email addresses that need to be cancelled or click on “**check all emails**”. Click on “**Cancel invitation(s)**” in order to cancel the invitations you sent to the participant(s). The licences automatically return to your remaining licences.

Once you have cancelled the invitation, the email address(es) concerned disappear from the pop-up and still appear in the invitation box. A notification email is also sent to the mobility participant concerned, informing him/her that his/her language assessment has been cancelled.

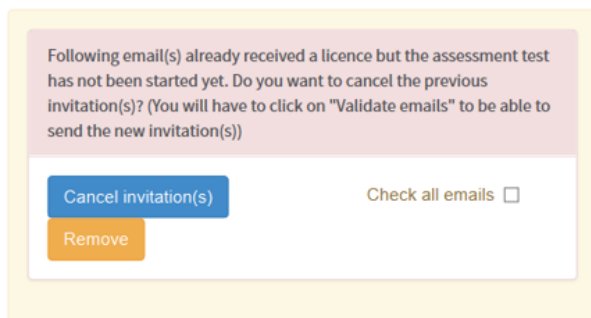

To **send a new invitation** to this/these email address(es), click on **Validate Emails** and follow the steps explained previously in section **3.1 How to allocate assessment licences to participants**.

3.3 How to allocate course licences to participants

The process of allocating licences occurs at different levels (i.e. DG EAC / NA / BEN) – for more information on the process please consult your National Agency.

3.3.1 Important information for Higher Education Institutions: automated allocation of course licences

Automatic language course allocation

Higher education participants who have obtained a **result between CEFR levels A1 and B1 in their first language assessment** are automatically allocated a language course licence. As an HEI you do not need to take any further action in the OLS Licence Management System.

The language course allocated is in the mobility language chosen for the assessment.

Course licences are automatically deducted according to the total course licences allocated. Therefore, participants with a level of B1 or below do not appear in this section. You are able to find these participants in the 4th tab (**Licence Usage per Participant**).

If there are not enough course licences to be automatically allocated to mobility participants, a warning appears on the “Home” page, indicating that the automated language course allocation has failed and will request you to contact your National Agency.

3.3.2 OLS language course in the local language of the country

Mobility participants who have obtained a **result between CEFR levels B2 and C2 in their first language assessment** might be invited to follow a language course in the OLS Licence Management System. The language course can be in their main language of instruction/work, OR in the local language of the country, provided that the language is available in the OLS.

In the 3rd tab (**Licence Allocation to Participants – Course**) you can also see mobility participants who have obtained a result between CEFR levels B2 and C2 at their first language assessment. You are able to manually select the language of the courses for these participants.

For the specific instructions, see section 3.3.3.

3.3.3 Manual allocation of course licences

Manual allocation of course licences applies to Youth, VET and HE participants (for HE only CEFR levels B2 – C2).

To allocate course licences to your participants, please follow these **step-by-step instructions**, here below.

To access the section "Licence Allocation to Participants - Course", from your Home screen, click on the 3rd tab (**Licence Allocation to Participants - Course**).

The screenshot shows the Erasmus+ Online Linguistic Support interface. The top navigation bar includes the Erasmus+ logo, 'Online Linguistic Support', and user information. The sidebar on the left has a red box around the 'Licence Allocation to Participants - Course' option. The main content area features a red warning box with the following text:

IMPORTANT – Only for HIGHER EDUCATION
To simplify the management of language course licences and reduce your workload, mobility participants who have obtained a result between CEFR levels A1 and B1 at their first language assessment are automatically allocated a language course licence. Please note that due to this change, your language course licences may have decreased in number.
Mobility participants who have obtained a result between CEFR levels B2 and C2 at their first language assessment are NOT automatically allocated a language course licence. You may invite them to follow a language course in their main language of instruction or work, or in the language of the country, provided that such language is available in the OLS.

Below the warning box is a summary table:

Remaining course licences:	4995
Allocated course licences:	5
Total licences English:	4
Total licences Dutch:	1
Total licences French:	0
Total licences German:	0
Total licences Italian:	0
Total licences Spanish:	0
Total licences Polish:	0
Total licences Czech:	0
Total licences Danish:	0
Total licences Greek:	0
Total licences Portuguese:	0
Total licences Swedish:	0
Total licences:	5000

Below the summary table is a 'New Participants' section with filters for 'Filter by Tested Language' (All) and 'Filter by Reached Level' (All). A table of participants is shown with columns: OLS ID, Name, Estimated starting date of the mobility, Period of Mobility, Assessment Language, Mobility Type, Assessment 1 Result, Select Local Language, and Select All. The first row shows OLS ID 230031, Name 'test test', Estimated starting date 01/2016, Period of Mobility 13 months, Assessment Language English, Mobility Type HE SMS, Assessment 1 Result A1-, and Select Local Language x. An 'Allocate' button is next to the last row.

You are now accessing the **Licence Allocation to Participants - Course** page.

If your institution/organisation is part of several projects, you can find several tabs on the top of the page. By navigating through these tabs, you can access the corresponding "Licence Allocation to Participants - Course" page related to each of your projects.

Expired projects (projects having reached their contractual end date) continue to be shown as a separate tab, thus allowing you to continue allocating course licences to mobility participants who have not yet returned from their mobility. For more information on expired projects, please consult point 3.6.

The screenshot shows the Erasmus+ Online Linguistic Support interface. The top navigation bar includes the Erasmus+ logo, 'Online Linguistic Support', and user information. The sidebar on the left has a red box around the 'Home' option. The main content area features a red box around the project tabs: '2014-1-BE99-VT001-00010 Projects' and '2014-1-BE99-VT001-00011 Projects'. Below the tabs is the title 'Course Licence Allocation To Participants - 2014-1-BE99-VT001-00010'.

In the upper right part of the screen, a summary box also shows information on:

- Your BEN's **remaining number of course licences**, i.e. the number of licences currently available for allocation to your participants;
- Your BEN's **total number of allocated course licences**, i.e. the number of licences already allocated to your participants;
- Your BEN's **number of allocated course licences, per language** (Czech, Danish, German, Greek, English, Spanish, French, Italian, Dutch, Polish, Portuguese and Swedish);
- The **total number of course licences** granted to your BEN by your National Agency (NA).

230011	test test	01/2016	13 months	English	HE SMS	A1	x	Allocate

In the lower part of your screen you see the list of participants related to the selected project who:

- Received an assessment licence;
- Completed the first assessment;
 NB: for HE participants, only those having obtained a result between CEFR levels B2 and C2 at their first language assessment;
- Have not returned from their Erasmus+ mobility yet.

For each of your participants the following information is available:

- OLS ID (identification number used in the OLS system to identify individual OLS usage by mobility participants. Mobility participants using the OLS for several mobilities have separate OLS IDs for each of these mobilities. Please quote this ID when contacting the technical helpdesk in case of issues with specific mobility participants.)
- Name
- Estimated Starting Date of the Mobility
- Period of Mobility
- Assessment Language, i.e. the mobility language allocated to the participant for his/her language assessment
- Mobility type (only for Higher Education participants, i.e. HE SMS or HE SMP.)
- First Language Assessment Result
- Select Local Language

You can also sort the information by alphabetical or numerical order by clicking on a column title.

To allocate a course licence to a participant click on **Allocate** on the right-hand side of the participant's row. A message then appears confirming that the course licence has been successfully allocated.

New Participants

Filter by Tested Language: Filter by Reached Level:

10 records per page Search:

OLS ID	Name	Estimated starting date of the mobility	Period of Mobility	Assessment Language	Mobility Type	Assessment 1 Result	Select Local Language	Select All
230031	test test	01/2016	13 months	English	HE SMS	A1-	x	<input type="checkbox"/> Allocate
230032	qwrrq qrw	01/2016	13 months	Italian	HE SMS	A1-	x	<input type="checkbox"/> Allocate
230033	qweqw qweqw	01/2016	13 months	Dutch	HE SMS	A1-	x	<input type="checkbox"/> Allocate

From Version 10, the OLS can be used by mobility participants with the SAME EMAIL ADDRESS FOR MULTIPLE MOBILITIES (mobility participants undertaking several Erasmus+ mobilities using the OLS).

If you enter a mobility participant's email address that is already in use in the OLS system (multiple mobilities of one participant), a warning message will appear if the participant has already received a course licence in the same language, within the same project and from the same Beneficiary. This warning assists you in avoiding sending a course licence invitation to a participant twice by mistake. Despite this warning, you can allocate a new language course to this mobility participant if this person is undertaking another mobility for which he/she should use the OLS.

When a participant has been allocated a course licence, the related row disappears from the Licence Allocation to Participants – Course table. The participants also receive a link to access the Erasmus+ OLS language course by email.

To allocate course licences to several participants, tick the boxes related to those participants in the cells on the far right of the mobility participants' rows. Then click on the **Allocate to all selected** button.

Allocate to all selected

When participants do not connect to the language course within 30 days after receiving the invitation, their access is deactivated and the licence automatically returns to your remaining language course licences.

3.3.4 Select the language of the course

You may invite participants listed in this screen – those who have obtained a result between CEFR levels B2 and C2 in their first language assessment – to follow a language course in their main language of instruction/work, OR in the local language of the country, provided that the language is available in the OLS.

In the column “**Select Local Language**”, a dropdown menu gives you the option to select the course licence language that should be allocated. For participants who have obtained a result equal to C2, no language is selected by default. The mobility language (language assigned for the assessment) for all other levels is selected by default but this can be modified.

- If the mobility language (same language as the first language assessment) is selected, both assessments and the course will be in the same language.
- If the “Select Local Language” (language of the country in which the mobility occurs) is modified, this means the participant will have the option to access a course in a language other than that of the first assessment. The participant, however, needs to take the second language assessment in the mobility language.

New Participants

Records per page: 10 | Filter by Tested Language: All | Filter by Reached Level: All | Search all fields (one word):

Name	Estimated starting date of the mobility	Period of Mobility	Assessment Language	Assessment 1 Result	Select Local Language	Select All
Jean-Sébastien Rombouts	2015-09	10 months	English	C2	select	Allocate
Daniel Bäumlér	2015-09	12 months	English	C2	English	Allocate
Mélanie Sedda	2015-09	13 months	English	C2	French	Allocate
Louise Macq	2015-09	13 months	English	B2	German	Allocate

The dropdown menu for 'Select Local Language' is open, showing options: English, French, German, Dutch, Italian, Spanish, Polish, Czech, Danish, Greek, Portuguese, Swedish.

To allocate a course licence to a participant, first, select the language you want to assign him/her and then click on **Allocate** on the right-hand side of the participant's row. A message then appears confirming that the course licence has been successfully allocated.

3.4 How to monitor the licences used by your participants

Once you have allocated assessment or course licences to your participants, you can monitor the use of each licence in the Erasmus+ OLS back-end.

To access the Licence Usage per Participant section, from your Home screen, click on the 4th tab (**Licence Usage per Participant**).

You are now accessing the Licence Usage per Participant page.

On your screen, for each of your participants you can see the following information:

- “Resend invitation” / “Cancel” buttons
- OLS ID (identification number used in the OLS system to identify individual OLS usage by mobility participants. Mobility participants using the OLS for several mobilities have separate OLS IDs for each of these mobilities. Please quote this ID when contacting the technical helpdesk in case of issues with specific mobility participants.)
- Call
- Project Code
- First Name
- Last Name
- Email
- Assessment Invitation Date
- Invitation Expiration Date
- Mobility type (only for Higher Education participants, i.e. HE SMS or HE SMP.)
- 1st Assessment Result
- 1st Assessment Date
- 2nd Assessment Invitation Date
- 2nd Assessment Result
- 2nd Assessment Date
- Mobility Start Date
- Mobility End Date
- Mobility Duration (months)
- Mobility Language
- Course Licence
- Local Language
- Course Licence Allocation Date
- First Connection to Courses
- Time Spent on the Platform, i.e. total time spent by participants studying on the platform.

N.B.: if a participant has several mobilities in the same project, he/she will be displayed twice in two separate rows with a different OLS ID (i.e. one ID per mobility).

You can also sort the information by alphabetical, chronological or numerical order by clicking on a column title.

3.4.1 How to resend an assessment invitation to a participant

If you wish to resend an assessment invitation to a participant, click on the “Resend invitation” button (blue button) in the first column.

Note that this is only possible if the participant hasn't started the test yet (if the participant has already started the test, the “Resend invitation” button will not be visible).

When clicking on the “Resend invitation” button, a pop-up message appears asking you to specify a new deadline to take the test.

The participant will receive another invitation with the new deadline to take the test.

By default, the language to be tested remains the same as the one specified in the first invitation. If you wish to modify this language, you will have to delete the participant and then re-invite her/him to take the test in the new language in the Licence Allocation to Participants – Assessment screen (3.1).

A pop-up message then confirms the invitation has been successfully resent to the participant.

3.4.2 How to delete an assessment invitation sent to a participant

If you wish to delete an assessment invitation sent to a participant, click on the red button in the first column.

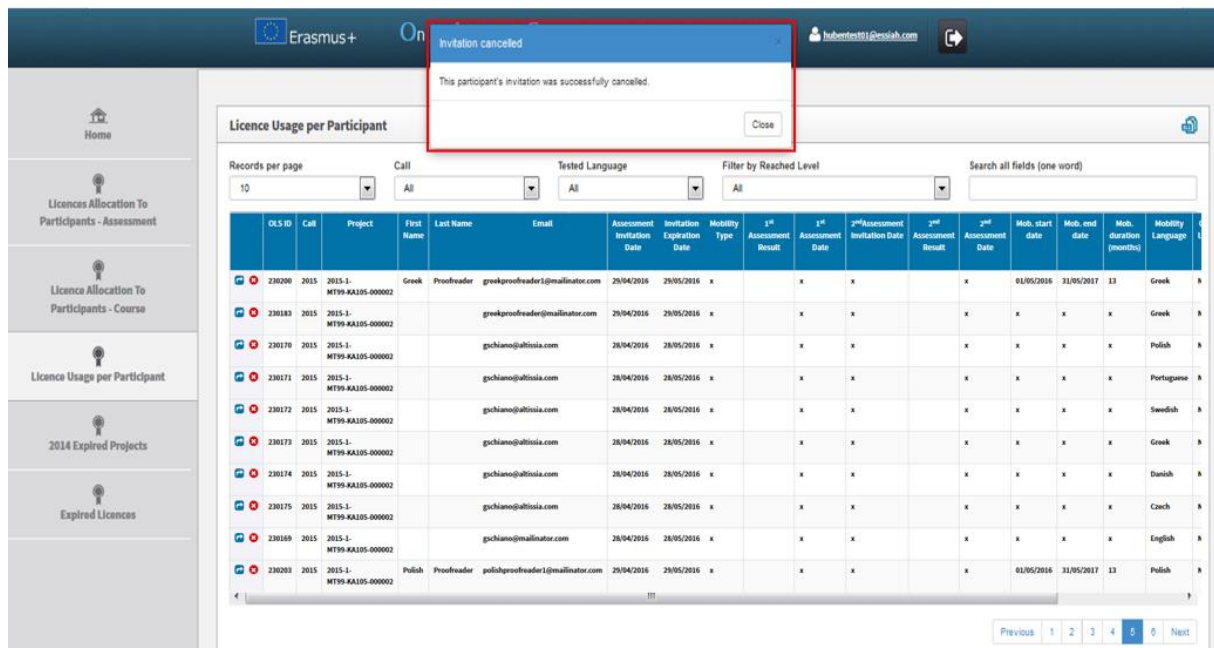

Note that this is only possible if the participant hasn't started the test yet.

	OLS ID	Call
	230200	2015

A pop-up message appears asking you to confirm that you really want to delete the invitation.

A pop-up message then confirms the invitation has been successfully deleted.

The screenshot shows the 'Licence Usage per Participant' page. A blue pop-up message is displayed in the center, stating 'Invitation cancelled' and 'This participant's invitation was successfully cancelled.' The background shows a table with columns for OLS ID, Call, Project, First Name, Last Name, Email, Assessment Invitation Date, Invitation Expiration Date, Mobility Type, and various assessment results. The table contains 13 rows of data.

OLS ID	Call	Project	First Name	Last Name	Email	Assessment Invitation Date	Invitation Expiration Date	Mobility Type	1 st Assessment Result	1 st Assessment Date	2 nd Assessment Invitation Date	2 nd Assessment Result	2 nd Assessment Date	Mob. start date	Mob. end date	Mob. duration (months)	Mobility Language

3.5 How to monitor the expired projects

The **Expired Projects** tab facilitates the monitoring of projects and mobility participants. This allows your current projects to be kept separate from expired projects.

When projects have expired (reached their contractual end date), their content is moved to this screen.

For projects that have expired, it is no longer possible to invite mobility participants to take the 1st language assessment. However, mobility participants that have been invited to take the 1st language assessment before the project end date are still able to take the 1st and 2nd language assessment, and you are also able to invite them to follow a language course (in the Licence Allocation to Participants – Course screen under the tab of your expired project – see section 3.3).

To access the Expired Projects section from your Home screen, click on the 5th tab (“**Expired Projects**”).

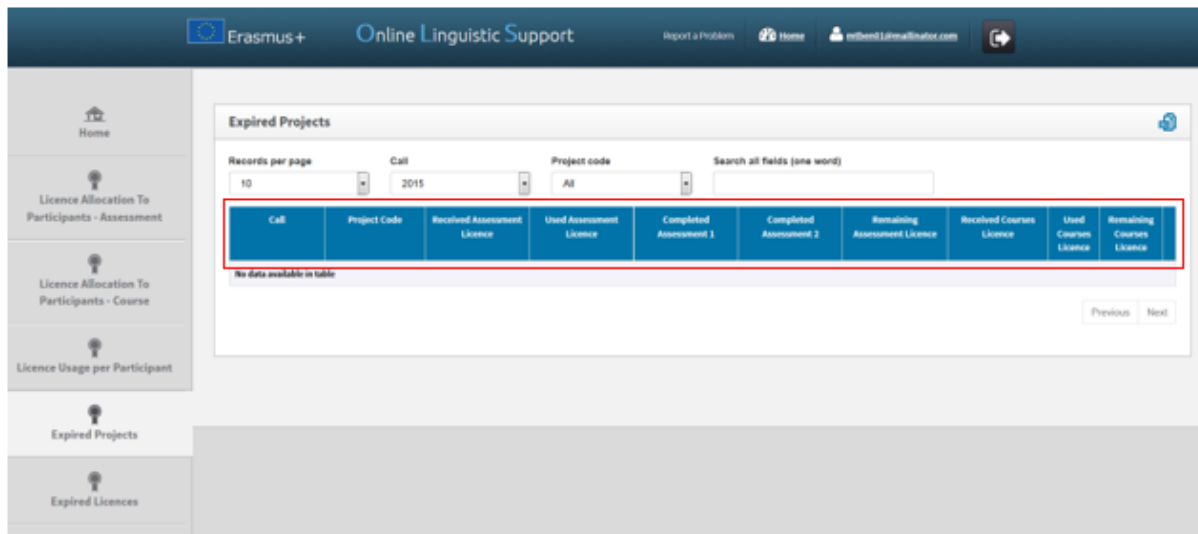

You are now accessing the Expired Projects page.

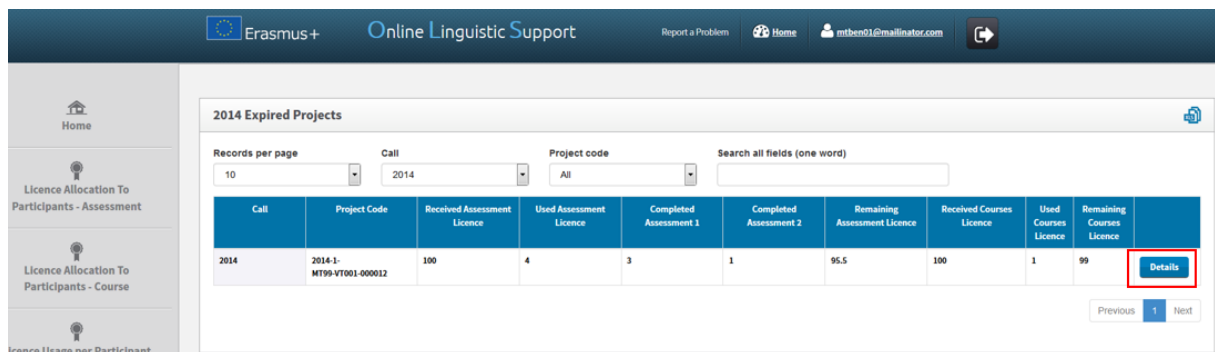

You can access the following information for each participant:

- Call
- Project Code
- Received Assessment Licence
- Used Assessment Licence
- Completed Assessment 1
- Completed Assessment 2
- Remaining Assessment Licence
- Received Course Licence
- Used Course Licences
- Remaining Course Licences

You can also sort the information by alphabetical, chronological or numerical order by clicking on a column title.

A button labelled “Details” is situated on the far right of the project row.

When you click on the “Details” button, you are redirected to a page showing the participant’s data for this specific project. This is the same information found on the 4th tab “Licence Usage per Participant”, without the resend function (since the project has expired, you can no longer invite mobility participants to take the 1st language assessment).

3.6 How to monitor the expired licences

With version 6, a tab entitled **Expired Licences** was added to facilitate the monitoring of mobility participants who have missed the deadline to take the 1st language assessment or the deadline to start following the language course. From this tab you can also re-invite these mobility participants to the 1st language assessment or the language course.

When a participant receives an invitation to take the assessment, he/she has to take it within the deadline, as specified in the invitation (see section 3.1 for all details about assessment allocation to participants). If this licence is unused (the participant has never accessed the 1st language assessment) it is considered expired. Expired licences are returned to your institution/organisation.

Note: Participants whose language assessment or course licence is still active (deadline not reached yet) are not shown in this screen. Equally, participants who started the 1st assessment without completing it are not shown in this screen (licence is lost). These participants are shown in the screen Licence Usage per Participant.

The expired licences can be found in the Erasmus+ OLS back-end **Expired Licences** screen.

To access the Expired Licences section from your Home screen, click on the 6th tab (**Expired Licences**).

The screenshot shows the 'Expired Licences' page. At the top, there are tabs for 'Expired Licences LA (Assessment)' and 'Expired Licences LC (Course)'. The 'Expired Licences' tab is selected. Below the tabs, there are filters for 'Call' and 'Tested Language', both set to 'All'. A table displays the list of participants with expired licences. The table has the following columns: OLS ID, Call, Project Code, First Name, Last Name, Email, Assessment Invitation Date, Invitation Expiration Date, Mobility start date, Mobility Type, Mobility end date, Mobility duration (months), and Language to learn. The table contains 10 rows of data. A red box highlights the 'Expired Licences' tab in the left sidebar.

You are now accessing the Expired Licences page.

By navigating through the tabs on the top of the page, you can access the “Expired Licences LA (Assessment)” (open by default) and the “Expired Licences LC (Course)” related to each of your projects.

The two tabs show the list of participants with expired licences for language assessments or language courses. These licences have been returned to your institution/organisation.

The screenshot shows the top navigation area of the 'Expired Licences' page. There are two tabs: 'Expired Licences LA (Assessment)' and 'Expired Licences LC (Course)'. Both tabs are highlighted with a red box. Below the tabs, the 'Expired Licences' title is visible.

On your screen, for each of your participants you can see the following information:

- “Reallocate Invitation” button (only for language assessment)
- OLS ID (identification number used in the OLS system to identify individual OLS usage by mobility participants. Mobility participants using the OLS for several mobilities have separate OLS IDs for each of these mobilities. Please quote this ID when contacting the technical helpdesk in case of issues with specific mobility participants.)
- Call
- Project Code
- First Name
- Last Name
- Email
- Assessment Invitation Date
- Invitation Expiration Date
- Mobility Start Date
- Mobility type (only for Higher Education participants, i.e. HE SMS or HE SMP.)
- Mobility End Date
- Mobility Duration (months)
- Language to Learn

N.B.: if a participant has several mobilities in the same project, he/she will be displayed twice in two separate rows with a different OLS ID (i.e. one ID per mobility).

3.6.1 How to reallocate a language assessment to a participant whose licence has expired

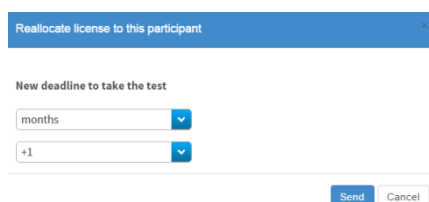

The participants listed in this tab have missed the deadline to access the 1st language assessment and have never accessed the 1st language assessment. Therefore, the licence has expired and has been returned to you.

If you wish to resend an invitation for the language assessment to a participant, click on “Reallocate Invitation” (blue button) in the first column.

	OLS ID	Call
	230200	2015

Note that when resending an invitation for the language assessment, a pop-up message appears asking you to specify a new deadline to take the test.

Reallocate license to this participant

New deadline to take the test

months

+1

Send Cancel

A pop-up message then confirms the invitation has been successfully resent to the participant.

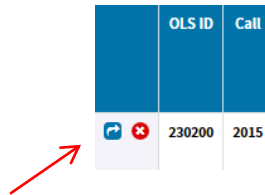

Please note:

- Participants, who have started but not completed the 1st assessment within the specified deadline, are not shown in this screen. Their assessment licence is lost and these participants can only be re-invited using a new licence (see section 3.1).
- The “reallocate” feature from the Expired Licences page is a shortcut to redistribute a new licence to a selected mobility participant with the same language to test and from the same project. This Expired Licences page does not allow you to change the language of an invitation. If you wish to change the language of an invitation, use the “Licence Allocation to Participants – Assessment” tab and select the appropriate language to test (see section 3.1).
- A participant who has been invited several times (following the expiration of its previous invitations) is listed several times. Each row corresponds to an expired invitation.

3.6.2 How to reallocate a language course to a participant whose licence has expired

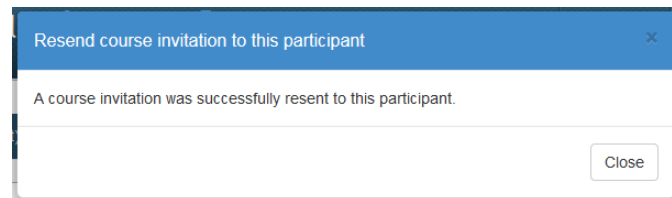

First, click on the tab “Expired Licences LC (Course)”.

If you wish to resend a language course invitation to a participant, click on “Reallocate Invitation” (blue button) in the first column.

	OLS ID	Call
	230200	2015

A pop-up message then confirms the invitation has been successfully resent to the participant.

Note: The “reallocate” feature from the Expired Licences page is a shortcut to redistribute a new licence to a selected mobility participant with the same language to test and from the same project. This "Expired Licences" page does not allow you to change the language of an invitation.

3.7 How to edit your profile and create additional users

If you need to edit your profile or create additional users (aliases), click on the "Profile" button in the upper right corner of your screen.

The profile page is divided into 4 parts:

- **BEN information:** includes your BEN PIC, BEN Name and Country. You cannot modify this information.
- **Change BEN User information:** allows you to edit your profile information except the login.
- **Creation of additional users:** allows you to create additional users (called aliases) with the same access rights as your current BEN user account.
- **Additional Email for receiving notifications:** allows you to add email addresses.

3.7.2 How to receive a notification each time a mobility participant has completed the 1st language assessment

Should you wish to receive an email notification each time a mobility participant has completed the 1st language assessment, you can tick the box "I want to receive a notification by email each time a participant has finished the first assessment". Once you have made the necessary changes, click on **Save Changes**, on the lower left-hand side of the section. A message then appears to confirm that the changes have been successfully saved.

The screenshot shows the 'BEN user Profile' interface. It is divided into two main sections: 'BEN Information' and 'Change BEN User information'. The 'BEN Information' section contains fields for 'BEN PIC' (25), 'BEN Name' (Test BEN 01), and 'Country' (Belgium). The 'Change BEN User information' section contains fields for 'Login' (be99ben01@mailinator.com), 'Password' and 'Re-type Password' (both empty), 'Contact Name' (BE99 BEN 01), and 'Contact Number' (0123456789). Below the 'Contact Number' field, there is a checkbox labeled 'I want to receive a notification by email each time a participant has finished the first assessment'. A red arrow points to this checkbox, and a red box highlights the text of the checkbox. Below the checkbox is a blue 'Save Changes' button.

If you tick this box, you will receive an email notification whenever a participant has completed the first language assessment. These notifications are not sent instantly, but once every hour.

Please note, this notification is sent to the main email address, as well as to any aliases and additional email addresses linked to the profile.

When participants do not take the assessment within the deadline, their access to OLS is deactivated and the licence automatically returns to the remaining assessment licences tab.

This functionality can be very useful if you are a VET or Youth Beneficiary and you want to be notified on completed 1st language assessments so that you can invite your mobility participants to the language course (there is no automatic language course allocation for VET and Youth, as with Higher Education Institutions).

3.7.3 How to create additional users (aliases)

It is possible to create additional users (aliases) to facilitate and share the work of the OLS among members of the same Beneficiary.

An alias only has access to the project(s) of the OLS contact person, to whom it is the alias, benefitting from the same rights and functionalities as that person.

Please note that, in the OLS system, email addresses are used to identify an OLS user according to four specific roles: NA, NA alias, BEN, BEN alias, and mobility participant. Every person – thus every email address – can only have one role. Therefore aliases cannot be created for email addresses already in use as BEN contacts for 2014, 2015 or 2016 projects.

In the third part of your profile page, click on **Add New Alias** to start creating an additional user for your BEN with the exact same access rights.

Creation of additional users
